**AMENDMENT OF INVENTORSHIP UNDER 37 C.F.R. § 1.48(b)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

**Please amend the named inventors as follows:**

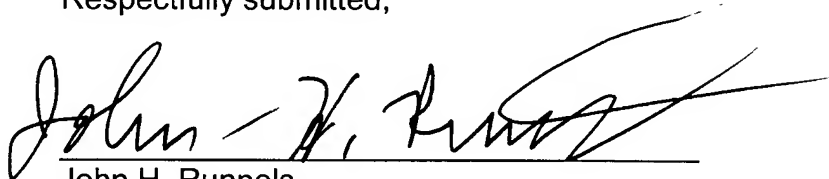

**Please delete Jed P. Aucoin and Robin L. McCarley** as named inventors in this patent application.

This amendment to inventorship is being made under 37 C.F.R. § 1.48(b). The inventors were correctly named in the nonprovisional application as originally filed. As the result of the cancellation of certain claims, the inventions for which Dr. Aucoin and Dr. McCarley are co-inventors are no longer being claimed in the present application.

The \$130 fee of 37 C.F.R. § 1.17(i) is being paid online. If this amount is incorrect, please refer to the Deposit Account Authorization filed with the application.

This change in inventorship resulted from the earlier, December 23, 2005 Amendment. An amendment to inventorship should have been made contemporaneously, but was overlooked at the time. The undersigned apologizes for the delay in making this amendment.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "John H. Runnels", written over a horizontal line.
